

KIDS GO BIRD-WATCHING ON EARTH DAY

TOI

On the occasion of Earth Day, naturalists and birders organised bird walks across eight cities, including Kolkata, on Sunday. The walks were designed for kids aged between 10 and 13. Apart from identification of birds, the walks also focussed on habitat, birds' behaviour and life cycle. In Kolkata, the walk was organised at Rabindra Sarobar by Early Bird and Bird-watchers' Society. Apart from Kolkata, the walks were organised in Agartala, Mysore, Panaji, Salem, Srinagar, Tirupati and New Delhi
